Applications for the Elk Petroleum Scholarship will be through the San Juan Foundation (SJF) using the following selection criteria.

- **Students can pursue a discipline in the arts and sciences with preferential consideration being given to careers related to the oil industry.**
- **Preferential consideration will be given to those students originating from the greater Aneth area.**
- **Scholarship is \$500 per semester. The student must provide their latest transcript and schedule to continue the scholarship.**
- **Scholarship recipients must maintain a minimum GPA of 2.5. (Those failing to meet this requirement will be placed on probation for the next academic semester and will have one semester to bring their grades into line with the required GPA. If they fail to do this they will be placed on suspension, until the GPA is back to a 2.5.)**
- **Student must be enrolled full time with a minimum of 12 credit hours or an equivalent of 12 semester hours if other methods are used.**
- **The length of the scholarship period shall not exceed five academic years. Exceptions are subject to the discretion of the SJF.**
