

Randon Keyes Scholarship Fund

\$500

Application Due: Friday, April 14th

- *Randon Keyes graduated from Monticello High School in 2008. He pursued multiple career opportunities before attending Southwest Applied Technology College in Cedar City, Utah to pursue a post high school education. At Southwest Applied Tech, Randon earned multiple endorsements that allowed him to secure employment with Quality Excavation as a mechanic. Randon maintained Quality Excavation's large equipment while on the work site. He was able to become financially self-sufficient and independent. This gave him great satisfaction. Randon's family would like to honor his life by providing assistance to a student interested in pursuing the same opportunities. We are very grateful for the support from residents of Monticello and Blanding in the establishment of this scholarship.*
- **Please fill out the information below and submit with (at least) 1 letter of recommendation from a vocational teacher from your school and your high school transcript.**
